## 1. Introduction

Moderator Welcome dear audience. Both here in the studio and at home on the screens. Applause. I welcome you to our eagerly awaited TV duel for the election of the Greatest Divine Property. There is LOVE on one side and RIGHTEOUSNESS on the other. You, dear audience here in the studio decide which of them is the greater one, RIGHTEOUSNESS or LOVE?

all take their seats on the armchairs.

Moderator Now there remain these three faith, hope, love, but the greatest of these is love.

Righteousness Of these three I can agree!

Love modestly Not just these three!

Moderator There is nothing bigger?

Righteousness Yet, righteousness.

Love Anyone can claim that.

Righteousness Righteousness of course, requires this claim to be proven.

Moderator But is not well known that love is the greatest?

Love Exactly. We could ask the audience right now.

Moderator Do not rush, we will do that later.

Righteousness I know that I do not have the best reputation. That is not my fault. Time and again others have masqueraded as righteousness.

Moderator Like the scribes and pharisees?

Righteousness Exactly, but I had nothing to do with these hypocrites.

Moderator Nothing?

Righteousness At least not much.

Moderator One had a lot to do with them.

Love But then the "righteous ones" killed him.

Moderator How was that possible?

Love godly love has permitted it.

Righteousness godly righteousness.

Moderator     who or what killed him in the end? love or righteousness?

Love            bad guys had flocked together. But their success was short-lived and only temporary.

Righteousness   Until today, they have flocked together and their success has been going on for quite some time and is not only temporary.

Moderator     We have flocked together, or have come together to give you both, Love and Righteousness, the opportunity to succeed.

Love            Success originates from the heart.

Righteousness   Success originates from the head.

Love            From one heart to the next.

Righteousness   From one head to all others.

Moderator     We will see.

## 2. Interview

Moderator introduce yourself. What's your name? And what's not your name?

Righteousness I am the Righteousness. My name is not Revenge! I do not seek avenge, not at all to avenge myself. I'm not called justice either. I'm not trying to judge. I'm not the justice either. Even the law does not meet my requirements.

Love I am the love. I am not mercy, because I do not only have compassion. I'm not the patience, because I'm not just enduring. I'm not the kindness either. Even to name me goodness would not be righteous.

Righteousness I like hearing righteous out of your mouth.

Love It was a pleasure for me.

Moderator Please describe your character with adjectives. Please limit yourself to what you are not. What you are sometimes reproached, but what is not true.

Righteousness I am not self-righteous, not partial, not overcritical, I am not jealous, not hypocritical.

Moderator And what are you by no means?

Righteousness Certainly I am not heartless!

Love I'm not unrealistic, I'm not indifferent, I'm not scared, I'm not blind.

Moderator And what are you by no means?

Love For sure I am not stupid!

Moderator We also do not want to be stupid. What do you mean by "I'm not indifferent"?

Love answers, but Moderator interrupts and asks first the viewers.

Love I am willing to watch for a while without intervening obviously, but that does not mean I do not care about the matter or person. Instead of openly criticizing, I try to move people in a clever, hidden way to cause them to make the necessary changes themselves. I am always ready to offer my help.

Moderator to Righteousness And what do you mean by "I'm not jealous?"

Righteousness answers, but moderator interrupts and asks first the viewers.

Righteousness If I criticize something or someone, really consider it unfair and like to correct or improve. My motivation is not envy, I do not begrudge a party or person, nor do I want to take personal advantage.

### 3. Reasons for participation

Moderator And why do both of you participate in this competition at all?

Love I have the impression that love has been pushed into the background in recent years. I want to remind everyone that love is so important. And besides, it's for a good purpose, because I can do a lot of good with the prize money.

Moderator If you should win. to Righteousness And why do you participate?

Righteousness Love has been overrated in the past. I think we've been on the right track for a few years now. But we need more righteousness. But this requires persuasion. That's why I'm participating. And not because of the prize money, with which I can only do a little good.

Moderator If you should win. But we are not that far yet.

#### 4. Image of the other

Moderator describe how you see your opponent. With three properties, but with three positive characteristics that you appreciate.

Righteousness Only three?

Moderator Yes, only three, we do not have time the whole evening. Both think.

Love At least three?

Moderator Do you hear poorly? At least you are not blind. shows three fingers three! Exactly three! I hope you'll find them. Both think. However, we do not have time the whole evening.

Love What I appreciate about my opponent is ...

Moderator And stay always positive.

Righteousness to Love I value the unshakable trust on your part. Where I have long given up faith, even doubt, you hold fast to the sinner.

Love to Righteousness I appreciate your courage. You mess with everyone in case you seem to be right. And in case it seems to be necessary. And you take risks and disadvantages for yourself - and others as well.

Moderator Always remain positive. Like the truth last week.

Love with a view to Righteousness who has truly recommended wisdom.

Righteousness truth could not help it.

Love truth has remained faithful to itself.

Righteousness It has not achieved much.

Righteousness Or this endless patience. You are abused, insulted, lied to and still do not become angry.

Love You stay so cool. While I show – have to show - my innermost feelings to others, you show no emotion.

Moderator I said positive, without hidden criticism!

Love That was just a well-intentioned suggestion.

Moderator Fine, then let's try again. Positive, without hidden criticism or "well intentioned suggestions".

Righteousness What impresses me is your selflessness. You give and give and give until you have nothing left to give.

Love And I am impressed by your critical faculty. You are constantly criticizing even for making little improvements.

Righteousness Do you know what critical faculty means?

Love Keeps silent

Moderator I think so. Because something love is certainly not - stupid!

Righteousness I understand.

## 5. Announcement of the winner of the last quiz

Moderator Now we come to the announcement of the winner of the last broadcast. We have received a total of 12,345 correct SMS. The question regarding truth and wisdom was: What are even more dangerous enemies for truth than lies? The correct answer is: Our beliefs. And this wisdom goes back to the German philosopher Friedrich Nietzsche. Would you have known? The winner is the phone number 01605431493. Congratulations! The winner looks forward to a 100 inches curved TV. He could watch the final next week in front of the TV. Or here in the studio. Because in addition, our winner will receive two free tickets, including accommodation and travel for the grand final.

## 6. Quiz duel

Note: The following quiz asks for a series of well-known quotes with love and righteousness. The quotes listed here are an offer that can be supplemented. The moderator has the quotes on index cards that he can mix or a tablet.

The quotes can be displayed on a monitor for the audience to guess.

Moderator Let's come to our internal quiz. How well do you know each other? If you finish the quote correctly you will get a point.

Moderator to Righteousness God is ...

Righteousness love

Moderator and?

Righteousness That's all!

Love sings Love is all, Love is all. Do you have only one more word to say, let it be love! Love is all.

Moderator At least In this case. 1: 0

Moderator to the audience and who said or wrote that? (John)

Moderator to Love So keep on seeking, first God's kingdom and its

Love Righteousness.

Moderator Correct 1: 1

Moderator to Love Do you also know how the quote ends?

Love all the other things will be added to you.

Moderator I am impressed. For this I add another point to you. 2:1 for love

Righteousness grumbles.

Moderator to Righteousness You are not jealous, aren't you?

Righteousness Not at all, but I could only score one point.

Moderator you had also only one word to say. Love 10 times as much!

Righteousness Well, ok.

Moderator Calm down, you may also get the opportunity for an extra point.

Moderator to the audience and who said that? (Jesus)

Moderator Most people need more ...

Righteousness love, than they deserve.

Moderator You deserve a point for that.

Moderator to the audience and who said that?

(Marie Freifrau von Ebner-Eschenbach)

Moderator But we are awaiting new heavens and a new earth in which

Love Righteousness is to dwell.

Moderator Excellent 2: 2.

Moderator to the audience and who wrote that? (Apostle Peter)

Moderator Now quotes with love and / or righteousness appear, whereby additionally a second word is missing. So it's about supplementing the two missing words. Who knows it pushes the buzzer. One point plus for each correct word, one point minus for each wrong word., ok?

Moderator ... is the fulfillment of the .... (Love, law, Apostle Paul)

Moderator When ... goes down, it is not worth any longer for ... to live on earth. (Righteousness, people, Immanuel Kant).

Moderator Happy are those who are hungry and thirsting for ... as they become .... (Righteousness, satisfied, Jesus)

Moderator If there was ... on earth, all ... would be dispensable. (Love, laws, Aristotle)

Moderator The only important in life are the ... of ... we leave when we have died. (traces, love, Albert Schweitzer)

Moderator ... is not what we expect to get, but what we are willing to .... (Love, give, Confucius)

Moderator I believe in ... and ..., without them no hope would exist for men (truth, righteousness, Dalai Lama)

Moderator the Rock, his works are perfect, because ... are all his .... (Ways, Righteousness, Moses)

Moderator Therefore, stand firm, your loins girded with ... and clothed with the breastplate of ... (truth, righteousness, Apostle Paul)

Moderator Nothing is decided yet. Because with the last quote you can collect eight points at once. Where does which word belong to?

Moderator On the other hand, the fruitage of the Spirit is 1 ..., 2 ..., peace, long-suffering, kindness, goodness, 3 ..., mildness, 4 ....

Righteousness Love.

Moderator that was fast and correct, but where?

Righteousness hmmh. Love surely gives preference to others.

Moderator So?

Righteousness        On the other hand, love thinks high of itself.

Moderator            You have to decide!

Righteousness to Love    And where is your place?

Love                    I can tell you.

Moderator            I'm sorry, but that's forbidden by the rules.

Righteousness        Well, then I say: in the last place.

Moderator            No, I'm sorry. To Love And what do you say?

Love                    With all modesty. Of course, in 1st place.

Moderator            Then we come to the next word. And?

Love                    Righteousness.

Moderator            I'm sorry, but righteousness is missing here.

Love                    What?

Righteousness        That cannot be true!

Moderator            Yes, unfortunately I have to deduct a point from love!

Love                    Not that as well!

Righteousness        Well, at least.

Moderator            Let's move on to the next fruit. And?

Love                    Joy.

Moderator            Very good. And where?

Love                    Second place.

Moderator            Correct. So you have caught up two points. But there are still two fruits missing.

Moderator            Well, do you have no idea?

Love                    to Righteousness I'll let you go first!

Righteousness        thinking fruits of the spirit. Then faith must not be missing.

Moderator            But where.

Righteousness        Definitely not in last place.

Moderator            So at third?

Righteousness        Yes.

Moderator            Wonderful. That's it ... But one fruit of the Spirit is still missing.

Moderator The last one. But that does not mean that it is of least importance.

Moderator Laura Branigan could sing a song of it!

Moderator stands up and dances Oh, the night is my world!

Love stands up City light, painted girl.

Righteousness stands up In the day nothing matters

Love it's the night time that flatters.

Righteousness you take myself

Love you take my self control!

Moderator You take mayself, you take my self control. Uh, so?

Love and Righteousness sing and dance together "I, I live among the creatures of the night"

Moderator And?

Love and Righteousness But I have got the will to try and fight. 3,2,1 self control.

Moderator One point for both of you!

In addition, in a tie: ... is nothing else than the ... of the wise man. (righteousness. love, Gottfried Wilhelm Leibniz)

So the result is ...

## 7. Political themes

Moderator Assuming you were in power, how would you handle the issues of our time?  
Please comment on important current political topics or statements.

Moderator What is your employment policy?

Righteousness It is important that everyone has a job.

Love A meaningful occupation.

Righteousness And contributes to the community.

Love can contribute.

Righteousness Therefore we have to create corresponding offers,

Love and wants to contribute, meaning it should also be worthwhile.

Righteousness of course everyone should receive a fair compensation.

Love and enjoy contributing.

Righteousness or at least a balance in form of free time.

Love and enjoy life.

Righteousness and still be able do other satisfying things.

Love That's why we have to reduce the workload.

Righteousness And distribute fairly.

Moderator But how do you pay the rent?

Love Limit the rent.

Righteousness Increase incomes.

Love We need more apartments.

Righteousness with affordable rents.

Moderator Let's come to freedom of opinion.

Love Everyone may say his opinion.

Righteousness And listen to the opinions of others.

Moderator Unfortunately, this is not allowed everywhere. - In order to form an opinion,  
one also needs reliable information.

Love with a smile Not necessarily.

Moderator at least it is beneficial.

Righteousness with a smile Nevertheless, many refrain from reliable information.

Moderator with a smile But not from their own opinion.

Righteousness again serious It is better of course to know facts and connections!

Love again serious and backgrounds and motivations.

Moderator but how do you ensure that this information is available?

Love press freedom.

Righteousness press commitments.

Moderator and what should the publishers commit themselves to?

Righteousness to the separation of facts and fictions.

Love to the separation of news and opinion.

Moderator And how do you want to ensure that?

Love internal control by media.

Righteousness external control by the public.

Moderator Nevertheless, there are always false reports.

Love false reports should not be.

Righteousness... allowed.

Moderator but if?

Love should the people in charge apologize.

Righteousness misrepresentations are not really excusable.

Moderator and therefore be punished?

Righteousness they should pay compensation.

Love and correct the matter.

Moderator And what about the audience?

Love much depends on the attitude of the audience.

Righteousness and on the demands of the audience.

Moderator What should the audience watch over?

Love Viewers should not assume that the news is objective, and there are always other opinions and alternatives.

Righteousness They should not assume that the media and journalists are independent. They have their own constraints, interests and views.

Moderator What should the broadcasters beware of?

Love they should not try to manipulate the viewers. And prematurely publish news: responsibility comes before publication.

Righteousness they should not allow being abused by politics and "run ahead of the political demands". Freedom comes before equality.

Moderator what should the politicians beware of?

Righteousness censorship of the media.

Love influencing the media.

Moderator And what should they both be wary of?

Love we should not believe that our opinion is always the right one

Righteousness we should not force our opinion on anyone.

foreign policy

Moderator What is your foreign policy?

Love I am committed to human rights - worldwide.

Righteousness and me to democracy - worldwide.

Moderator And where are rights and kingdom of God?

Love Of course, God should get justice.

Righteousness God should of course not be excluded.

Moderator That will make God happy.

Moderator Let's stay with us and our neighbors.

Love We should our neighbors our friends.

Righteousness And partners.

Moderator But what is the basis of friendship or partnership?

Love Shared Values and Mutual Respect.

Moderator And how do you want to achieve that?

Righteousness Joint Projects and Mutual Exchange.

Moderator But what if someone does not want friendship?

Righteousness We are all in the same boat.

Moderator smiling Not only us, but we'll come to that later.

Love we are one big family.

Moderator but in every family it comes to arguments now and then.

Love that mostly is not worth mentioning.

Righteousness conflicts must be settled.

Moderator Or should not arise at all?

Righteousness That's why we need global righteousness. Global righteousness is the prerequisite for international peace and security.

Love We need global love. Global aid agencies that alleviate the suffering of disadvantaged people.

Moderator Are you looking for a new international order?

Righteousness We need big changes to achieve a just globalization.

Love and sustainable.

security policy

Moderator Otherwise, foreign policy can also affect internal affairs. This brings us to terror.

Love terror arises fears and constraints.

Righteousness vice versa.

Moderator and how do you want to free people from it?

Love Love can free them.

Righteousness righteousness.

Love we have to love people. Even our enemies.

Righteousness and treat all people fairly. Even our friends.

Love because until now love is missing.

Righteousness and righteousness.

Moderator Maybe wisdom as well? But that comes back next week.

Love The causes are complex.

Righteousness and global.

Moderator Globally, there are more and more refugees.

Love Of course, love requires us to take in refugees.

Moderator all?

Love We can not let people die!

Righteousness all should accept refugees.

Moderator who relies on the others ...

Righteousness we need agreements.

Love all hold on to.

Righteousness and a spirit of solidarity.

Love a spirit of brotherhood.

Moderator But can we afford it?

Love Can we afford to do nothing?

Righteousness We also afford a lot of other things.

financial policy

Moderator Maybe we afford too much? Does not the state already have enough debts?

Love The debts could have been paid off long ago.

Righteousness Everyone who has debts should pay it back.

Love If the repayment is possible.

Moderator but what if repayment is not possible?

Righteousness It was possible to make debts.

Love Best if no one can store debts.

Moderator But what if someone has debts?

Love I can write off debts.

Righteousness I can help to pay back debts.

budget policy

Moderator lets's come to budget policy.

Righteousness I favour education.

Moderator But education is expensive.

Love stupidity is even more expensive.

Moderator how do you want to finance it?

Love Stupidity or education?

Righteousness Education is self-financing.

Love stupidity too.

Moderator to Love Can you not stop these jokes?

Love I could, but the audience wants to be entertained, or?

Moderator But this is a competition. to righteousness So, how should education finance itself?

Righteousness education leads to success. Success to profit. Profit to taxes. Taxes to finances. Finances to education. The audience wants to be convinced.

Love stupidity leads to failure, failure to loss, ...

Moderator interrupts - Thanks, that's enough.

pensions

Moderator Retirees are unlikely to finance themselves.

Love except the young ones take care for their age.

Righteousness Have to.

Moderator How much should everyone have in his old age?

Righteousness Everyone should have a basic pension.

Love That he can supplement by contributions.

Love If he wants.

Righteousness he does not have to.

Moderator Who has worked more should also get more pension?

Righteousness Who works more in retirement.

Moderator And what about the time before the retirement?

Righteousness Before the retirement, he got more money for his work.

Love Hopefully.

Righteousness Why should he still get more money now, when both are not working anymore?

Love After all, he had deposited more.

Moderator Who pays more in the health insurance also gets a better treatment.

Righteousness Not in the statutory health insurance.

Moderator Therefore there are the private ones. So the higher earners can also get a better treatment.

Righteousness Why should the higher earners everywhere be better off? They are already better off because they earn more. Should anyone who pays more taxes also attend better schools? And get the better seats in the theater? Those who earn more pay more taxes. That is how at least some balance can be achieved.

Moderator to Love What do you say to this?

Love Who earns more, has not necessarily earned more.

Moderator Last question for both of you: How do you want to prevail in society?

Righteousness righteousness requires to reward righteousness and to punish unrighteousness.

Righteousness righteousness requires education, morality, moral courage, commitment and an eye for minorities. But above all, just structures that leave no room for unrighteousness! In a fair society, the individual has responsibility for society and society for the individual.

Love Love requires to promote love and overcome indifference.

Love Love requires heart-building, morality, compassion, sacrifices and an eye for the needy ones. But above all charitable organizations that leave no room for indifference. In a loving community, I take care of my neighbor and my neighbor takes care of me.

## 8. Spectators question

Moderator Dear Audience. Now it is your turn, to which current topic or question should the two take position? Any suggestions? Otherwise, here is a list of suggestions. List: Social Year, Vaccination, Organ Donation, Youth Demonstrations, Environmental Protection.

### Behavior in the discussion

Love looks at the individual, its desires, needs, fears, hardships, suffering and limitations,  
is concerned, compassionate, humorous, behaves kind, polite, considerate, gives examples, praises the efforts and achievements, encourages action, conversion,  
remains optimistic and describes a fine future.

Righteousness openly addresses social ills, needs and goals.  
sees the groups, their compositions and interests, remains factual, serious, objective  
criticizes what has been omitted and what has not been achieved  
acts consistently, punishes, dismisses, condemns  
remains pessimistic and warns.

Moderator provokes, doubts, interrupts, involves audience.

## 9. Catch word round

Note: It is not strictly predetermined who first responds (love or righteousness), except in the case of freedom where love is the first. Love and Righteousness respond naturally and spontaneously, faster, slower. Interrupt each other and are interrupted.

## 10.Scales of justice

Moderator Imagine you are on Judgment Day. And you have to decide the fate of people. What criteria will you put onto the scales?

Love Do we really have to judge?

Righteousness I do not think so.

Moderator Try it anyway. We are concerned with the fundamental attitude to judgment. What is loving? And what is fair?

Righteousness What criteria are available?

Moderator That's up to you. Which criteria play a role?

Love Human criteria.

Righteousness Divine criteria.

Moderator Oh, you mean the divine scale.

Righteousness Therefore, I calibrate the scales first with the godly righteousness.

Love and I with godly love.

Moderator The scales are already calibrated. Goes to a builtup scale, next to it are a series of larger (heavier) and smaller (lighter) boxes. What do you put on the scales? Label the boxes with your criteria and place them on one of the two sides. If the right side weighs heavier, the person is saved, in the other case it is - not saved. You have 3 minutes. You can lay the boxes on the outside, then they weigh heavier or more towards the middle, then they weigh less. Are you ready? Then start - NOW!

Love labels a big box with "+ deeds" and places it on the right side of the scales Good deeds I put the good deeds of a man on the scales.

Moderator And what about the bad deeds?

Righteousness labels a large box with "- deeds" and places them on the left side of the scales, but the bad deeds must also be weighed.

Love Even + words can accomplish a lot of good.

Righteousness But -words can accomplish a lot of bad as well.

Love Then I take into account the good qualities.

Righteousness and I the bad qualities.

The balance indicates "not saved".

Moderator to Love And now?

Love Then I consider the good intentions.

Righteousness and I the bad intentions.

The balance again indicates "not saved".

Moderator to Love And now?

Love The good thoughts.

Moderator to Love I see you make any effort.

Love I have to take care of the lost sheep.

Righteousness And the bad thoughts.

Moderator to Righteousness I see you make also efforts.

Righteousness Someone has to take care of the other - sheep.

The balance again indicates "not saved".

Moderator to Love And now?

Love The bad that he has rejected.

Righteousness And the good he has failed.

The balance again indicates "not saved".

Moderator to Love And now?

Love The repentance that he showed.

Righteousness The turn around he did not do.

Moderator Righteousness is obviously striving for justice.

The balance again indicates "not saved".

Moderator to Love And now?

Love the difficult circumstances.

Righteousness the favorable conditions.

The balance again indicates "not saved".

Moderator to Love And now?

Love shortly before the end of time Then I put the mercy on the balance. Puts one more box on the scales and prevents righteousness from adding another. And so mercy rejoices over the judgment.

Moderator At least it triumphs here in the studio. An applause for our candidates.

Righteousness Is that fair?

Love Mercy?

Righteousness No, I mean the whole judgement procedure.

Love To outweigh the good and the bad against each other?

Righteousness thinks That can not be the solution.

Moderator You are not satisfied? How so? I think love and righteousness will be fine.

Love It is superficial.

Righteousness And very primitive.

Moderator It was just a game.

Love How long does the game - the Judgment Day - actually last?

Righteousness Thousand years.

Love Enough time to - earn credit.

Righteousness And how do you earn credits?

Love Humans are good - from the inside.

Righteousness Nevertheless, humans vanish - also from the outside.

Love We have to help them, of course.

Righteousness And create appropriate conditions.

Love We must promote good.

Righteousness And stop evil.

Love It will be fine.

Righteousness but not easy.

Moderator Before you drown in your thoughts, I suggest that we continue. The wisdom will come back next week, maybe it can contribute to the solution.

## 11. Necessity

Moderator Is there a way without you? Please convince us that nothing works without you. I give the start and you complete the sentence. The first keyword is Faith.

Moderator What does faith lead to without love or without righteousness?

Love Faith without love makes fanatic.

Righteousness Faith without righteousness creates unbelief.

Moderator The next keyword is knowledge.

Love knowledge without love makes haughty.

Righteousness knowledge without righteousness creates destruction of knowledge.

Moderator The next keyword is power.

Love Power without love makes you cruel.

Righteousness Power without righteousness creates powerlessness.

Moderator The next keyword is wealth.

Love Wealth without love makes you stingy.

Righteousness Wealth without righteousness creates poverty.

Moderator And now, in turns. Once you and then you. Looks at Love. Let's start with you. Conscientiousness.

Love Duty without love makes you petty.

Moderator to Righteousness Peace

Righteousness Peace without righteousness creates strife.

Moderator to love Kindness

Love Kindness without love makes hypocritical.

Moderator to Righteousness Honor

Righteousness Honor without righteousness creates dishonor.

Moderator to Love wisdom

Love wisdom without love makes you proud.

Moderator to Righteousness Freedom

Righteousness Freedom without righteousness creates bondage.

Moderator to Love Righteousness

Love Righteousness without love is inhuman.

Moderator to Righteousness Love

Righteousness Love without righteousness creates laziness.

Moderator So what is all worth without you?

Love Without love everything is nothing. Even if I speak with angelic tongues and have no love, I am just a resounding cymbal. And if I have all the gifts, but no love, that is of no use to anyone. And if I give everything I have, but only to praise myself, it will not do me any good.

Righteousness Without righteousness everything is nothing - less than nothing. For if I speak with the tongue of God, but not words of righteousness, then I only cause damage. And if I have faith to move mountains, but no deeds of righteousness, then I only cause damage. And if I give everything I have, but not to the friends of righteousness, then I only cause damage.

## 12. On the lifeboat

Note: **Love** and **Righteousness** pantomime. As a prop a save boat for two people with two paddles can be used or the save boat, like the third person in the boat, only imagined.

**Moderator** Then let's see how good you are in situation analysis and how you prove yourself under time pressure. It takes three minutes. Imagine you two are in a boat with another person. Somebody else is in the water. You have to figure out what's up and solve the problem by asking questions. Alright? Then we start. Starts the timer.

**Love** how did we get into the lifeboat?

**Moderator** Your ship has just sunk into the sea. But you have made it into the lifeboat.

**Love** And what about the person in the water?

**Moderator** The person did not make it.

**Righteousness** Then we have to bring the person into the boat.

**Moderator** There is no room left in the lifeboat.

**Love** We can not let the person drown!

**Moderator** The person still holds on to the boat.

**Righteousness** How cold is the water?

**Moderator** Icecold. Looks at the stop-watch. The person will only endure 2 minutes and 30 seconds more. Time is running.

**Love** Who is the person in the water?

**Moderator** A child.

**Love** Then there is almost the whole life in front of it!

**Righteousness** Or almost behind.

**Love** But we can not let the child drown!

**Righteousness** Why does the child not get into the boat?

**Moderator** It would be too heavy. The boat is built only for two people.

**Love** I trade places with the child!

**Righteousness** Who is the third person on board?

**Moderator** A terrorist.

**Love** What?

**Righteousness** What did he do?

**Moderator** He caused the ship to sink.

**Love** What a rogue!

Righteousness Do you still want to trade with the child?

Love Perhaps the terrorist can trade with the child?

Righteousness You can ask him!

Love or be exchanged.

Righteousness And how do you want to do that?

Moderator By the way, the child in the water is getting cold. But it only has to look at the stop-watch freeze for two minutes more.

Love We have to do something!

Righteousness We have to overpower the terrorist.

Moderator That should be difficult.

Love Why? There are two of us.

Moderator The terrorist has a gun in his hand.

Righteousness What shall we do?

Moderator I did not understand you.

Love What shall we do?

Moderator I'm sorry, the child in the water is always shouting "Help, I'm drowning!"

Love I have to jump into the water!

Righteousness And how can I cope with him alone?

Moderator The terrorist says you should row.

Love And if I do not want?

Moderator Ask the terrorist.

Love I do not row. And what?

Moderator He shoots you if you do not shut up. You should row.

Righteousness starts to row to Love Come on, we row!

Love is rowing too Where are we rowing?

Moderator To the shore.

Righteousness recognizes the opportunity How far is it to the shore?

Moderator Sorry, the child is crying again.

Righteousness How far is it?

Moderator 200 meters.

Love my child, hold on.

Righteousness hold on tight

Moderator One minute remains.

Love Why does not the terrorist row himself?

Righteousness Yes, he could shoot us and row without us.

Moderator No, he hurt himself by the bomb.

Love I hope he does not hold om.

Righteousness How far is it to the shore?

Moderator 150 meters.

Love And how is the child?

Moderator It is getting quieter. The cold.

Love and Righteousness row with all their power.

Moderator Now it has become very quiet.

Righteousness How much more?

Moderator 100 meters or 30 seconds looking at the stop-watch.

Righteousness jumps up and slams the pistol out of the hands of the terrorist.

Love pulls the paddle over the terrorist's head.

Righteousness Come, help me!

Love Yes, let's throw him overboard!

Love and Righteousness throw the terrorist overboard.

Moderator Congratulations. You did it. You got rid of the terrorist. Looking at the clock But the kid too. It cannot hold itself more above water. Time has expired.

Love I jump into the water. Jumps into the water.

Righteousness You have to dive!

Love I have it.

Moderator It is alive.

Righteousness My child, hold on to the paddle! pulls the child on board.

Love And what about me?

Righteousness Well, for my sake.

Moderator Applause for the two candidates! Until you have dried off, we can make a brief commercial break.

### 13. Advertisement stageplay "fruitage of the spirit".

The advertisement is visible on the monitor.

Moderator Why always fight against each other? Why not collaborate with one another? We would like to draw your attention to the Great Controversy between the virtues and the vices.

Of course, all participants in this program will participate, that is, love, righteousness, wisdom and truth. Doubtful support they get from the faith. Together they fight with egoism, malice, fear and foolishness, though fear does not necessarily have to be an adversary.

A fight that is not just social and interpersonal.

Sometimes we are in conflict with ourselves, with our mistakes, weaknesses and desires.

The analysis of the virtues enables a clear and distinguishable awareness of the available positive forces with the aim to use them effectively. Do not let the evil defeat you, defeat the evil with the virtues!

Coming soon here in this studio.

## 14. Today`s Quiz Question

Moderator Let's come to today's quiz question.

Righteousness I also have a quiz question for our viewers. What is the most difficult and rarest of all virtues? Compassion exists among people 10 times more. Free after Franz Grillparzer.

Love A nice try. But obviously mercy is 10 times as popular as righteousness. Mercy seems to be more important to people.

Righteousness Mercy is only easier to practice than righteousness.

Love Nevertheless, some people do not find it easy.

Moderator Now our question: What is more the male virtue and what is more the female virtue? And from whom is the saying? (correct answer: Righteousness, love, Arthur Schopenhauer). Please text your answer to the displayed number. Closing date is on Wednesday at 12 pm.

The winner gets two tickets including travel and accommodation for the performance of the "Fruitage of the Spirit".

## 15. Verbal Exchange

Moderator Now you can talk to each other without being disturbed. For three minutes. I hope you have something to tell us, and each other. What do you say from today's perspective to the 10 commandments?

Love The 10 commandments were actually 10 prohibitions. You should not do this and you must not do that.

Righteousness The 10 commandments were righteous in their days!

Love That depends on the perspective.

Righteousness From a heavenly perspective, they were just.

Love And what about the earthly perspective?

Righteousness The Ten Commandments were the Basic Law.

Love But woe to you if you do not obey!

Righteousness Then there are consequences.

Love Punishments. Read the fine print.

Righteousness Laws without punishment make little sense.

Love Can you only punish, or can you also forgive?

Righteousness Can you only forgive, or can you also punish?

Love We do not need many prohibitions, but few commandments, actually only or two - The two commandments of love!

Righteousness And what about the third commandment?

Love Which Third?

Righteousness Love your next but one.

Love Who is my next but one?

Righteousness Everyone who is not your neighbor.

Love First, of course, comes my neighbor.

Righteousness First of all, the next but one.

Love It is important that everyone is being loved.

Righteousness And everyone is treated fairly.

Love Righteousness prevails where love reigns.

Righteousness Love prevails where righteousness rules.

Love those who lack love, cry for righteousness! And laws.

Righteousness We need laws. Somehow the coexistence has to be regulated. As in traffic.

Love, Fine, I can agree in traffic. However, people did not come into existence for the sake of the traffic lights, but the traffic lights for the sake of men.

Righteousness Just like the woman for the sake of the man?

Love Just like the woman for the sake of mankind.

Righteousness Just like man and woman for the sake of mankind.

Love and for the sake of the earth.

Righteousness and what about the heavens?

Love Male and female.

Righteousness Both are equal.

Love With equal rights.

Righteousness And Equal duties.

Love For love.

Righteousness And respect.

Love Above all for love!

Righteousness Those who lack righteousness, cry for love! And freedom.

Love We need freedom. Without freedom, the good can not spread.

Righteousness And the bad. You dream of a better world, I fight for a better world.

Love I also fight for a better world, with different weapons.

Righteousness And how?

Love I just live the better world. And love is contagious.

Righteousness Hate is also contagious.

Love Why are you so pessimistic?

Righteousness Why are you so optimistic?

Love and Righteousness at the same time I am realistic.

Moderator I am also realistic. That's it. The three minutes are over.

## 16. Closing arguments

Moderator Then I may ask you for your final plea. You have 60 seconds to advertise yourself once more. Who wants to start?

Love I give priority to Righteousness.

Righteousness Thank you, too kind. But I like to renounce this offer.

Love Then I'll let you choose who should start first.

Righteousness Thank you, that's nice, but maybe we can decide by drawing lots.

Moderator Fine, then we will do so.

Drawing of lots. Turns out in favor of righteousness, which has the closing word.

Love I am patient and kind. I am not jealous, I do not boast, I do not blow myself up, I do not behave indecent, do not seek my own advantage, do not let me provoke, I do not counting evil, I am not pleased with inrighteousness, but I am happy the truth, I forgive everything, believe everything, hope everything, endure everything, I remain for ever. I am the way of life.

Righteousness I am correct and demanding, impartial and incorruptible, do not make myself smaller than I am, take into account the interests of all, I am not flattering, I am consistent, do not neglect the evil, persecute unrighteousness, reveal the truth, Check whenever it is necessary, do not tolerate grievances. I always try to treat everyone appropriately and fairly. I split and dismiss, accuse, sentence and arrest and yet I am the way of freedom!

## 17. Election of the winner

Moderator And now it's your turn, dear audience. You decide which is the bigger one: Love or righteousness? On your seats you will find a red and a blue card. Soon my assistant will go through the ranks. If you think that love is the bigger one then give the assistant a red card. Otherwise, if you think righteousness is the bigger one then give him a blue card.

Moderator On this occasion, I would like to refer to the grand final next week. The winner of today's broadcast will challenge the wisdom. What is the saying? Seek wisdom first, all other things can not equal it. Or at least, one thing?

Moderator This brings us to the count. A red card equalizes a blue card. He puts all pairs aside. The winner's cards are left over. (What happens in case of a draw?)

So the winner of the combat is....

Moderator to the winner What will you do with the prize money?

A. If love is the winner

Love I donate the money for a good purpose. For the earthquake victims and survivors.

Moderator And your final word of encouragement to our viewers?

Remain in love and love will remain.

B. If righteousness is the winner

Righteousness I support the construction of a school in West Africa with two-thirds of the money.

Moderator And what will you do with the remaining third?

Righteousness I do not know yet.

Moderator And your final word of encouragement to our viewers?

Righteousness "remain in Righteousness and righteousness will remain!"

## 18. Comments on the election

Moderator Can I ask you for a short statement on the result of the election?

A. Comment of **Righteousness** after the lost election:

**Righteousness** Obviously, Righteousness is not very well received.

B. Comment of **Love** after the lost election:

**Love** I'm happy for **Righteousness**. And I wish her all the best.for the duel with the wisdom.

**Moderator** Goes among the audience asking for impressions on the show and election: Why did you vote that way, what did you like best, what do you expect for the final next week? Finally he says goodbye.
